I received the docket package on Friday. I was off yesterday and plan to start making sense of it today. I do plan on using your help. I have communicated to management that the 4 person team will be: me, you, Paul Schwartz, and dan Holliman.

Just wondering if you've gotten these out of Outlook and into the docket. Especially with telework for the next couple of weeks (or more) I should have plenty of uninterrupted time to work on organizing and drafting responses to comments if you need the assistance.
